

6. Dress with authentic style. Fill your closet with clothes that are distinctive to your own style.

7. A man's clothing should accentuate his body shape.

8. Don't impulse buy. Avoid buying things if you don't know what you'll wear them with.

11. When it comes to pocket squares, don't match exact colors. For example, avoid pairing a navy pocket square with a navy suit.

3. Don't pair short ankle socks with your suit. Brown shoes should be paired with navy socks, however black socks and brown shoes do not mix. Never wear socks with shorts, nor sandals. When at the workplace, office, or any other business situation always accompany

your shoes with socks.

1. For unruly shirts that don't fit properly, put on a cardigan. It will conceal an otherwise a messy look.

4. Use solid leather, genuine leather belts.

5. Start with a light color tie in the morning. For the afternoon choose a dark color. Wear an even darker tie in the evening.

2. Use shoes with super pointy and square toes.
